

Two pro quality chamois to choose from - wear what works best for you

#### **2011 ENDURANCE Chamois**

All new for 2011 the **ENDURANCE** chamois has reached new levels of comfort and fit. Consisting of 4 varying levels of foam varying from 7 mm to 17mm in thickness and from 40kgm<sup>3</sup> to 150kgm<sup>3</sup> in density, the **ENDURANCE** chamois complex construction and revolutionary technology take chamois comfort to a new level.

#### **Features**

**DL FOAM** - a revolutionary open cell breathable foam perforated with 8mm wide holes, creating a 'golf ball' look. **DL Foam** increases breathability in the chamois and decreases perspiration whilst the lower density of the foam provides increased comfort.

**POWERFOAM** - provides unrivalled levels of impact absorption whilst never losing shape, meaning that no matter how many dodgy roads you ride on you will always be protected.

- 4 Way Stretch Chamois - the chamois moves with you on the saddle lessening irritation and saddle sores
- Multi density foam construction
- 100% Permanent Anti - Bacterial properties
- Male and Female Specific option
- 100% Italian Made.

#### **2011 RACE Performance Chamois**

As a result of feedback from you and our countless Pro level teams around the globe we have developed a new **RACE** performance chamois for 2011. This new chamois features an irritation free soft cover, that encases a multi density, multi layered foam construction providing ultimate comfort. The thickness of this chamois has remained low meaning you can get closer to the saddle - perfect for getting in and out of the saddle regularly like in a criterium event - but featuring high density foam to maintain comfort.

#### **Features**

- 4 Way Stretch Chamois - the chamois moves with you on the saddle lessening irritation and saddle sores
- Multi density foam constructions
- 100% Permanent Anti - Bacterial properties, achieved with Silver Ions
- Seamless Comfort Technology - SCT
- Anatomically Shapes to fit your body shape
- Male and Female Specific option
- 100% Italian Made.
